

REMARKS

The amendment to page 1 sets forth the international application information.

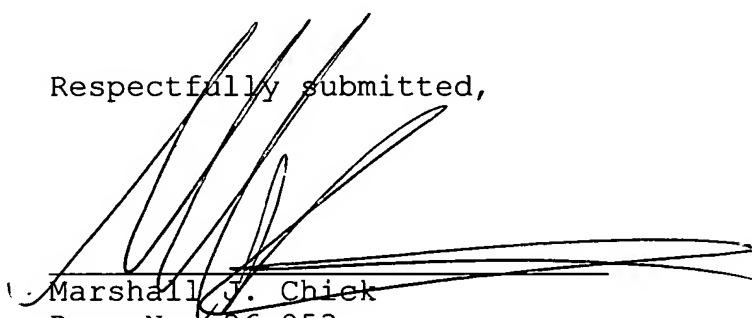

The change to "C₂-C₅ alkylcarbonyl groups" is supported by the previous phrase as "linear or branched alkylcarbonyl groups having 2 to 5 carbon atoms".

The change to "C₂-C₅ alkynyl" is an obvious correction because C₁ alkynyl cannot exist

The amendments to the claims remove all multiple dependent claims.

Entry of the present Amendment is respectfully solicited.

Respectfully submitted,

Marshall J. Chick
